SKILLS:

Developing for and administering

Windows 95/98/NT/2k/XP, UNIX (Solaris, Linux)

Programming languages

C, C++, Visual Basic, SQL, Perl, Java, D/HTML, Pascal, OpenGL, Tcl/Tk,

Programming technologies

MFC, Win API, .NET, J2ME, GUI Design, CGI, ISAPI, ASP, JSP, COM/ActiveX, Sockets, RPC

Development environments

Visual C++, MS InterDev, Visual Basic, Borland C++ Builder, Borland Delphi

Databases

ORACLE, SQL Server, MySQL

Desktop applications

MS Word, MS Excel, MS Access, MS PowerPoint, MS Publisher, MS FrontPage, MS FoxPro 6.0, Macromedia DreamWeaver, Macromedia Flash, Adobe PhotoShop, Micrografx Picture Publisher

EDUCATION:

MS Computer Science Feb. 2001

University of Alabama in Huntsville, Huntsville, AL

GPA 3.83/4.0

BS Theoretical Physics May 1998

Ferghana State University Ferghana, Uzbekistan

GPA 5.0/5.0

RELATED COURSE WORK:

Software Engineering, Operating Systems, System and Software Requirements Analysis, Object-Oriented Design Patterns, Design and Analysis of Algorithms, Programming Languages, Computer Graphics, Computer Architecture.

WORK EXPERIENCE:

Multiple Software Development projects on contract basis. Details at website.

Aug.2002 - Cur. Ferghana "AZOT" Chemical Plant. **Automation Department manager**

Responsible for maintaining the entire ACS based on HoneyWell PlantScape.

May 2001-Aug.2002 Ferghana "AZOT" Chemical Plant. **System Engineer.**

Maintain HoneyWell PlanScape Industrial Control System.

Oct. 1999-May 2000. University of Alabama in Huntsville. **Research assistant.**

Design Lab assignments (mostly Linux-oriented) for Operating System Classes.

1999-01 University of Alabama in Huntsville. **Student assistant.**

Taking classes on video for students with disabilities.
